

Sviramo s micro:bitom – radni listić

Zadatak 1

Odaberi program koji na pritisak logotipa svira melodiju i istovremeno prikazuje sličicu note. Melodija svira samo jednom. Programe možeš testirati u MakeCode editoru.

a)

Scratch script a) consists of an 'on logo pressed' event block. It contains two stacked blocks: a 'play melody' block with a tempo of 120 bpm and the setting 'looping in background', and a 'show icon' block with a musical note icon selected.

b)

Scratch script b) consists of an 'on logo pressed' event block. It contains two stacked blocks: a 'play melody' block with a tempo of 120 bpm and the setting 'in background', and a 'show icon' block with a musical note icon selected.

c)

Scratch script c) consists of an 'on logo pressed' event block. It contains two stacked blocks: a 'play melody' block with a tempo of 120 bpm and the setting 'until done', and a 'show icon' block with a musical note icon selected.

Zadatak 2

Kako se zove naredba u **Music** kategoriji kojom možeš smanjiti ili povećati jačinu zvuka?

Zadatak 3

Kreiraj vlastitu melodiju u MakeCode editoru tako da ukupno traje 10 sekundi. Možeš koristiti naredbe po želji iz **Music** kategorije.
